Editor of the "Alumni Bulletin"  
Bryant College  
Providence, R. I.

Dear Sir:

Just want to let you know how much I enjoy receiving the "Bulletin". It is indeed a pleasure to keep in touch with the College in this way -- reading about the progress, and also the news of our classmates, and what the College is doing now.

I think the Bryant Service Club is a wonderful idea, and I would like to help. Enclosed is a money order which I hope can be used for something for "our boys."

You have been sending the "Bulletin" to Esther Lawrence. I have also changed the last name. In September 3, 1942, I was married to 2<sup>nd</sup> Lieut. Charles H. Semple, at All Saints' Church, Attleboro, Mass. He is in the Coast Artillery, Anti Aircraft, U. S. Army and is now stationed out of the Country.

I'll be looking forward to the <sup>next</sup> issue.

Sincerely,

Esther L. Semple
